Dated 30th June 1911

General No. 1757 / C.I.D. enclosure

Sir,

H U

With reference to Government Order No.J.1262-3/Pol.7-10-2 dated 24th October 1910, sanctioning the continuation of the C.I.D. for a further period of one year from the 1st July 1910, I have the honor to submit the following brief report on the working of the Depart-
-ment since that date.

2. The sanctioned strength of the Department consists of 3 Inspectors, 2 Jamedars and 6 constables, but from October 1910 to April 1911, the work had to be managed

managed with only two Inspectors as C.I.D. Inspector Mr. Shama Rao was appointed to act as Amildar and his place was not filled up owing to census work.

3. The department continued to do good work under the supervision of my office assistant Mr. M. Lakshmana Sastry.

Compilation of history sheets of C.I.D. gangs and K.Ds.

4. The compilation of the history sheets of criminal gangs and indivi--dual criminals or K.Ds whose opera--tions are likely to extend beyond one District or Province and who are therefore styled as C.I.D. gangs and C.I.D. K.Ds is now complete. The compilation of the history sheets from six Districts was completed before June 1910. Since then those of Kolar and Kadur Districts were re--ceived and also tabulated. The classification of their finger prints numbering 939 which will be taken on hand at once alone remains. When this record is completed it ought to be of invaluable help in the prevent--tion and detection of crimes committed by such itinerant criminal gangs.

Before taking up the work of classification, some of the C.I.D. officers will be deputed to visit

the

the Districts to ascertain and deter-
-mine which of the C.I.D. gangs as
compiled from the reports received
from the Districts, should ultimately
be brought on the C.I.D. gang
register.

Conference with the Dy. Inspr-Genl of Police, Madras.

5. With a view to the better surveillance of the itinerant class of criminals and to maintain an uniformity in their classification by the various C.I.Ds, at the request of the Inspector-General of Police, Madras, a meeting was arranged between my office Assistant and Dy. Inspr-Genl. of Police, Madras, Mr. P. B. Thomas, in my office on 16-6-1911. The question of bringing the movements of C.I.D. gangs and K.Ds under effective surveillance and control was discussed. The following conclusions were arrived at:-

1. That all C.I.D. gangs should be strictly watched by the C.I.D. officers in addition to the watch exercised by the local Police.
2. That the C.I.D. officers should very often check these gangs and become personally acquainted with the individuals composing the gang.

3. That when these C.I.D. gangs proceed to other provinces the local C.I.D. should communicate before hand to the other C.I.D. the movement of the gang and also send through the escorting constable the history sheets of the members of that gang.

4. That in the case of gangs other than the C.I.D. gangs it is enough if the ordinary pass-ports are sent.

5. That when a foreigh C.I.D. gang enters a Province its C.I.L. should arrange to take the Finger Impression slips of the members of that gang and forward the same to the C.I.D. of the Province wherein the gang is registered and from which it started to ensure that the gang which started from one Province and which arrived at the other are identical.

Visit of Mr. Venkoba Rao, Dy. Superintendent, C.I.D., Madras.

6. Previous to Mr. P.B.Thomas's visit, Mr. Venkoba Rao, Dy. Superin-tendent, C.I.D., Madras, visited my office with a view to obtain some information about the Chicapore Kepmari gang in the Malur Taluk when Mr. Lakshmana Sastry had a discussion with him about the surveillance of C.I.D. gangs. Both the above foreign C.I.D. officers were satisfied that

the

the registration work of the criminal gangs in this Province was proceeding on lines exactly similar to those in the Madras Presidency.

Collection of information relating to local and foreign gangs and K.Ds.

7. The C.I.D. collected information relating to the movements of 371 local gangs, of 27 foreign gangs and of 288 individual suspects who visited the Province from outside and communicated the same to the Police concerned, both local and foreign.

Investigation.

8. During the period under report, the C.I.D. officers were also engaged in the investigation of the following cases:-

Nagar Currency notes theft case.

In this case which occurred in the Shimoga District, currency notes to the value of Rs 1400/- were stolen in November 1909 from the house of one Seshappa in Nagar Taluk by one who called himself Ramachandriah alias Ramachandra Jois. The Nagar Taluk Police investigated the case for some time but the identity or the whereabouts of the accused remained untraced. At this stage the investigation of the case was transferred to the C.I.D. in April 1910.

Inspector Mr. Krishna Rao and Jamedar Garudachar were deputed to work up the case. With the cooperation of the Mysore District Police, they were able to trace

trace the culprit to Nagavalli in Chamarajnagar Taluk and bring him to justice. The case presented peculiar difficulties in as much as the accused whose real name was Vittal Rao was ascertained to be a swindler and a note forgerer who travelled to distant parts for committing such offences posing himself as an astrologer and physician, He was tried and convicted by the District Magistrate, Shimoga.

2.Railway Mail Service Currency Notes abstraction cases.

In January 1910, the investigating Assistant Superintendent, R.M.S. & sorting reported to the Birur-Shimoga Railway Police four cases of abstraction of currency notes to the value of Rs 500/-.

The said Police investigated the cases for some time but were not able to find any clue. On the requisition of the District Superintendent of Police, Shimoga, C.I.D. Inspector Mr. Krishna Rao and Jamedar Garudachar were deputed for the investigation of these cases. These officers after a long and searching enquiry traced one of these offences to the Branch-post-master, Luni, Marwar, and the other to the accountant of the firm in Vaniambadi which despatched

despatched the currency notes to the addressee.

The postal department has been addressed to take needful steps to bring the offenders to justice, the offences having been committed out-side Mysore.

3. Sandalwood smuggling cases of Hassan.

About the end of July last the Deputy Commissioner of Hassan report-ed that large quantities of sandal-wood had been smuggled into Bombay from Hassan. C.I.D. Inspector Mr. Siddaramappa was deputed to pro-ceed to Bombay to trace the accused and also to recover the stolen pro-perty. By the time he reached Bombay, the culprits had made themselves scarce from there after having dis-posed of the stolen wood. The Inspector, however, was able to trace and recover about 380 maunds of sandalwood valued at about Rs 3000/- and also to discover the identity and whereabouts of the accused, who had given out fictitious names while at Bombay. The evidence which he collected in Bombay went a long way to help the Hassan Police in success-fully tracing out the accused persons.

The local Police and the C.I.D Inspector

Inspector jointly investigated these cases with the result that three cases of smuggling were brought to light, but the detection of one of these which occurred so far back as June 1908 is ~~&&&~~ mainly due to the exertions of the C.I.D. Inspector while at Bombay. The prosecution in these important cases is being conducted for the last eight months by the other C.I.D. Inspector Mr. Krishna Rao. In all, eight persons were charge-sheeted and they are being tried by the Special Magistrate Hassan.

4. Hosakondapur Murder Case.

A boy named Javaroyi aged 12 years who was living with his adoptive mother Chamamma in Kondapur of Channapatna Taluk was murdered on the night of 24-12-1910 while he lay asleep. On the statement of Chamamma, Sidda, Yelava and Linga were arrest-ed by the local Police as having been concerned in the murder. The investi-gation disclosed that these persons had no hand in the affair. As there were peculiar difficulties in the way of conducting the investigation of the case, Inspector Mr. Krishna Rao of the C.I.D. was deputed to work up the case and he with the assistance of the local Police was able to trace the crime to the following culprits.

culprits:-

(1) Channi Huchana Thimma,

(2) Mancha alias Nanji Konda,

(3) Anumanchegowda,

(4) Surappa alias Surinaranappa,

(5) Chicka Manchegowda, ——

—— enemies of Dasegowda, the father of the murdered boy. It was also learnt that the 4th accused Surappa had put the local Police on the wrong scent by influencing —— Chamamma to falsely implicate inno--cent persons who were first arrested. During the investigation three out of five accused persons made con--fessional statements before the Magistrates and one of these was made an approver.

The accused are undergoing trial before the Chief Court Sessions.

5. Kadur Taluk House breaking and theft case.

In this case some valuable property stolen ~~from~~ in the Kadur Taluk had been disposed of in Madras. At the request of the Deputy Commis--sioner, Kadur, Inspector Mr.Sidda--ramappa was deputed to help the local Police to recover the property. He was able to recover a portion of the property as the rest had been converted

converted into unidentifiable form; but evidence to this effect was secured.

6. Capture of a notorious dacoit of Malabar.

A dangerous character by name Abdul Rahiman alias Peetikoyil Anchumantu Kunni Modeen Kutti alias Vallain, for whose arrest a reward of Rs.500/- was offered by the District Magistrate, North Malabar, was spotted by the C.I.D. in Bangalore City in November last. On searching his person a six-chambered revolver and 100 cartridges were found and he was proceeded against under Arms Act and convicted. He was surrendered to the Malabar Police in connection with the trial of several cases of dacoity pending against him.

Special duty.

9. The C.I.D. officers were also on special duty in Mysore and on the Railway on the occasion of the marriage of H.H. the Yuvaraja of Mysore and at Sravanabelagola during the Mahamastakabhisheka ceremony of Sri Gomateswara Swami.

Confidential enquiries.

10. The services of the C.I.D. officers were utilised for making confidential enquiries such as "missing of Government of India Pro notes

notes belonging to the estate of the late Timmaji Ammal of North Arcot" and the doings of one M. Krishna-deva Naik, who is reported to be a notorious swindler, residing in Basavangudi, Bangalore City.

A report in the former case has been submitted to Government and in the latter particulars have been furnished to the City Police, who are directed to take up investigation.

Correspondence.

The volume of correspondence of the C.I.D. has been steadily increasing and no less than 1288 (to and from) references are registered in the C.I.D. since July 1910, 189 of which relate to foreign correspondence.

Finger Print Branch.

11. The office of the Finger Print Bureau is a branch of the C.I.D. and the C.I.D. Inspectors also know this work.

The work of re-classification of finger print slips according to Henry's system is much in arrears as the present staff is too inadequate to cope with the work that is in-creasing day by day.

There are in all 21,724 finger print slips on record in the Bureau. During the year under report, of 1637 slips received for search, 252 were traced.

traced. ÷1479 slips were received for record.

The finger print slips that are received along with the history sheets of the members of C.I.D. gangs and of K.Ds remain unclassified for want of hands and I shall approach the Government with a proposal for the increase of the staff later on.

12. In addition to these duties, the C.I.D. staff was engaged while at Head Quarters in watching the various classes of local and foreign suspects.

13. I am glad to say that the work turned out by the C.I.D. has been to my entire satisfaction and justifies the continuance of its existance.

The institution being a new one, there was not, to begin with, perfect harmony between the executive and the C.I.D. but better feeling is now prevailing. The services of the C.I.D. officers were in great demand during the year but owing to heavy work on hand, I was not able to meet the demand in some instances.

It is apparent from the nature of the cases which have been dealt with by the C.I.D. during the year

under

under report, such as the sandalwood smuggling cases of Hassan and the currency notes abstraction cases, that the local officers in the ordinary course of their business, will not be able to successfully investigate such cases in as much as with the improved means of communication all over India the sphere of operation of criminals extends far beyond their jurisdiction. As it has already been urged, such cases as the above and the organised crime committed by professional criminals need being handled by Police officers who are not tied down to routine duties of a Police officer and who are specially trained for the investigation of cases involving difficulty and in-tricacy.

In my last year's report, I have advanced the reasons to make the C.I.D. a permanent one in the Province and I now repeat that the urgency and necessity for this establishment ~~is~~ are being felt more and more every day. I request you to be good enough to obtain early orders of Government making the C.I.D. a permanent one.

14. - In this connection I may again urge for the sanction of an

allowance

allowance of ₹25/- per mensem to my office Manager on whom has fallen a considerable amount of corres--pondence connected with the C.I.D. and for the increase of allowance from ₹50/- to ₹100/- to my office Assistant whose responsibilities with the C.I.D. are not few, for which he deserves higher allowances.

A proposition statement em--bodying the above proposals is enclos--ed.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector-General of Police.
